ANDREW GILBERT

**EVP and President of Qualcomm Internet Services and Qualcomm Europe
Qualcomm Incorporated**

Andrew Gilbert serves as executive vice president and president of Qualcomm Internet Services (QIS) and Qualcomm Europe. QIS helps accelerate consumer adoption and consumption of mobile content across all networks and devices by delivering a more engaging mobile experience that is contextual and relevant to consumers' personal interests.

In his role, Gilbert provides strategic direction and oversight of all business development and operational activity in Europe. Gilbert is also responsible for globally leading QIS, a core Qualcomm business, as services represent a key growth area for Qualcomm. Gilbert also serves as a member of Qualcomm's executive committee.

Prior to joining Qualcomm, Gilbert served as vice president and general manager of Flarion Technologies' European, Middle Eastern and African regions (EMEA), responsible for EMEA strategy and operations. His leadership contributions have resulted in guiding Flarion's European business through technical and commercial validation with global operators such as T-Mobile and Vodafone, and ultimately to multiple commercial deployments of mobileFLASH-OFDM with T-Mobile in Slovakia and Germany and with Digita in Finland.
