

EXECUTIVE BIOGRAPHY

Dr. Steve Yamamoto
 Vice President, Operations
 Qualcomm Enterprise Services
 Qualcomm Incorporated

Dr. Steve Yamamoto is vice president, operations for Qualcomm Enterprise Services (QES). QES is the Qualcomm division chartered with delivering strategic wireless solutions that leverage proven, secure technology to deliver a competitive advantage and measurable long-term business value across the enterprise.

As a member of the QES executive team, Dr. Yamamoto leads global operations, supply chain services, and program management for all QES business activities in the U.S., Europe, Asia, Mexico, and Brazil. Dr. Yamamoto previously served as senior director of product management for QES' portfolio of transportation and logistics offerings.

Prior to joining Qualcomm, Dr. Yamamoto served as senior director and general manager for KLA-Tencor, the world's leading supplier of yield management equipment for the semiconductor industry, where he ran the data storage and surface metrology divisions.

Dr. Yamamoto holds a Ph.D. degree in physics from the University of California, San Diego and a master of business administration degree from San Diego State University.
