

Qualcomm Conflict Free Minerals Policy

Qualcomm is aware of concerns that minerals mined in conflict areas in the Democratic Republic of the Congo (DRC) and adjoining countries may be making their way into the electronics industry supply chain and may be fueling human rights violations and environmental degradation in the DRC region.

Qualcomm strives to provide DRC conflict free products by supporting industry-wide efforts to drive transparency in the supply chain and by expecting that our suppliers obtain materials from environmentally and socially responsible sources, including conflict free sources within the DRC and adjoining countries.
