Subscribe

A premium tier, ultra-low power, single-chip audio platform with a programmable DSP, optimized for use in truly wireless earbuds and hearables.

Qualcomm® QCC5171 is designed for the future of wireless sound, with support for LE Audio use cases and CD-Lossless (16-bit 44.1kHz) audio with Snapdragon Sound™ technology - our optimized chain of superior audio, connectivity, and mobile innovations.

Integrated features include our third generation Qualcomm® Adaptive Active Noise Cancellation (ANC), with full-band ambient mode for strong, effective noise cancellation and a natural feeling of spatial awareness.

With Qualcomm® aptX Adaptive Audio, and high-performance DACs the platfor...

5: Select 'Subscribe'

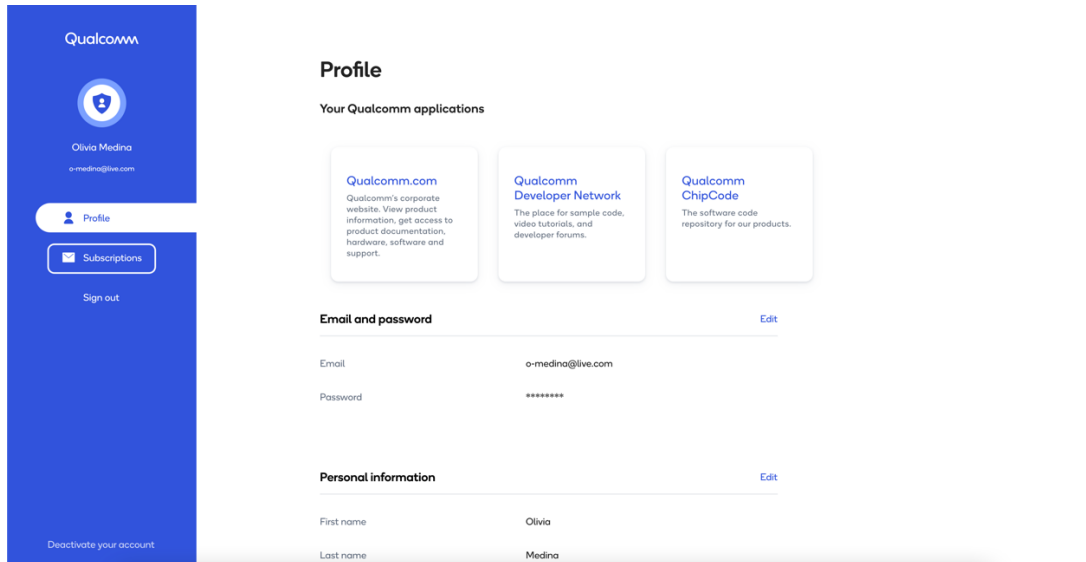

6: Choose the option to (a) 'Manage your alerts' or close window. You are subscribed!

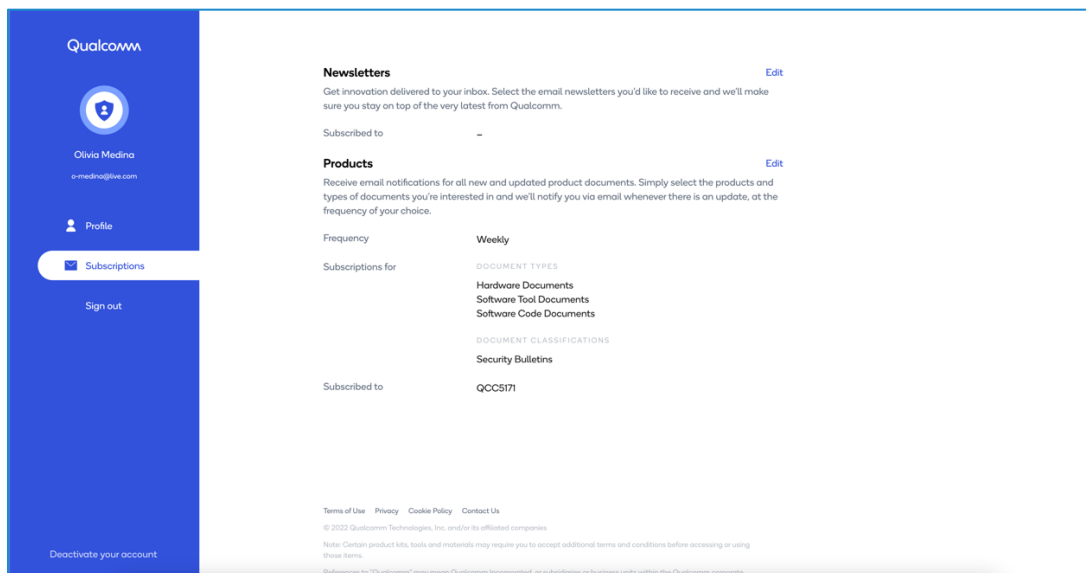

6a: Managing your alerts

1. Select 'Subscription'

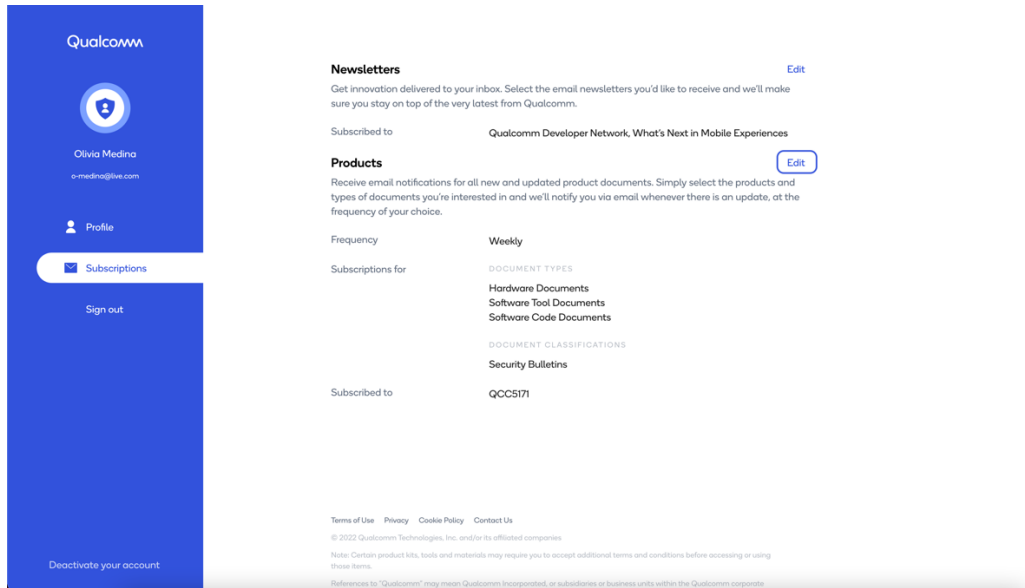

The screenshot shows the Qualcomm user profile page. On the left is a blue sidebar with the Qualcomm logo at the top, followed by the user's name 'Olivia Medina' and email 'o-medina@live.com'. Below this are three menu items: 'Profile', 'Subscriptions' (which is highlighted with a white background and a blue border), and 'Sign out'. At the bottom of the sidebar is a link to 'Deactivate your account'. The main content area is titled 'Profile' and contains three application cards: 'Qualcomm.com', 'Qualcomm Developer Network', and 'Qualcomm ChipCode'. Below these cards are two sections: 'Email and password' and 'Personal information', each with an 'Edit' link. The 'Email and password' section shows the email 'o-medina@live.com' and a masked password. The 'Personal information' section shows the first name 'Olivia' and last name 'Medina'.

2. Choose to modify your 'Newsletters' or 'Product' subscriptions.

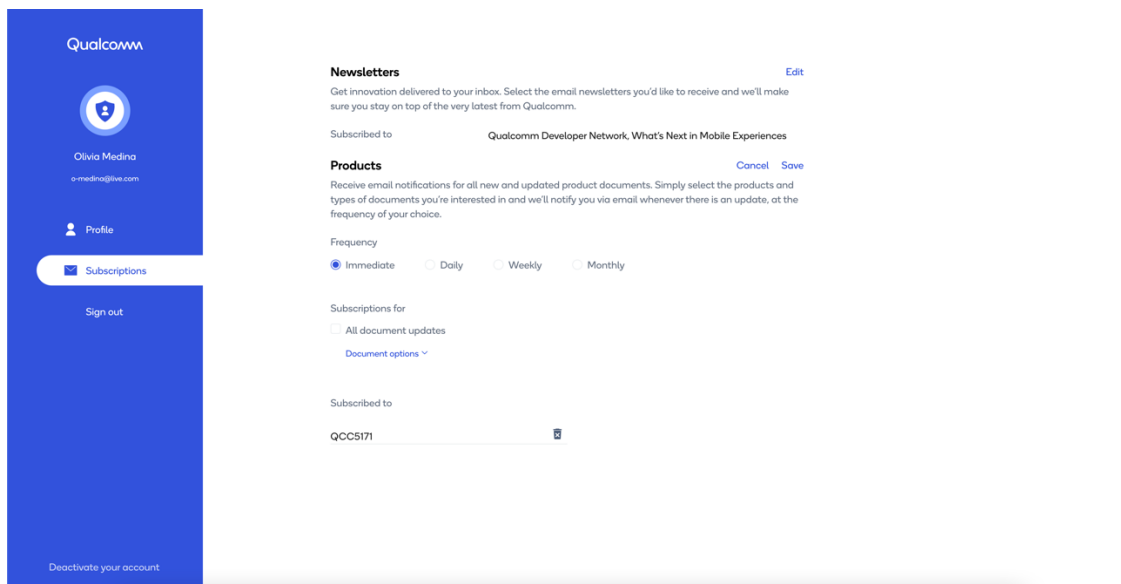

The screenshot shows the Qualcomm user profile page with the 'Subscriptions' menu item highlighted in the left sidebar. The main content area is titled 'Subscriptions' and contains two sections: 'Newsletters' and 'Products', each with an 'Edit' link. The 'Newsletters' section has a description: 'Get innovation delivered to your inbox. Select the email newsletters you'd like to receive and we'll make sure you stay on top of the very latest from Qualcomm.' Below this is a 'Subscribed to' field with a minus sign. The 'Products' section has a description: 'Receive email notifications for all new and updated product documents. Simply select the products and types of documents you're interested in and we'll notify you via email whenever there is an update, at the frequency of your choice.' Below this is a 'Frequency' dropdown set to 'Weekly' and a 'Subscriptions for' section. The 'Subscriptions for' section is divided into two categories: 'DOCUMENT TYPES' and 'DOCUMENT CLASSIFICATIONS'. Under 'DOCUMENT TYPES', there are three items: 'Hardware Documents', 'Software Tool Documents', and 'Software Code Documents'. Under 'DOCUMENT CLASSIFICATIONS', there is one item: 'Security Bulletins'. Below these is a 'Subscribed to' field with the value 'QCCS171'. At the bottom of the page, there are links for 'Terms of Use', 'Privacy', 'Cookie Policy', and 'Contact Us', followed by a copyright notice and a note about product kits.

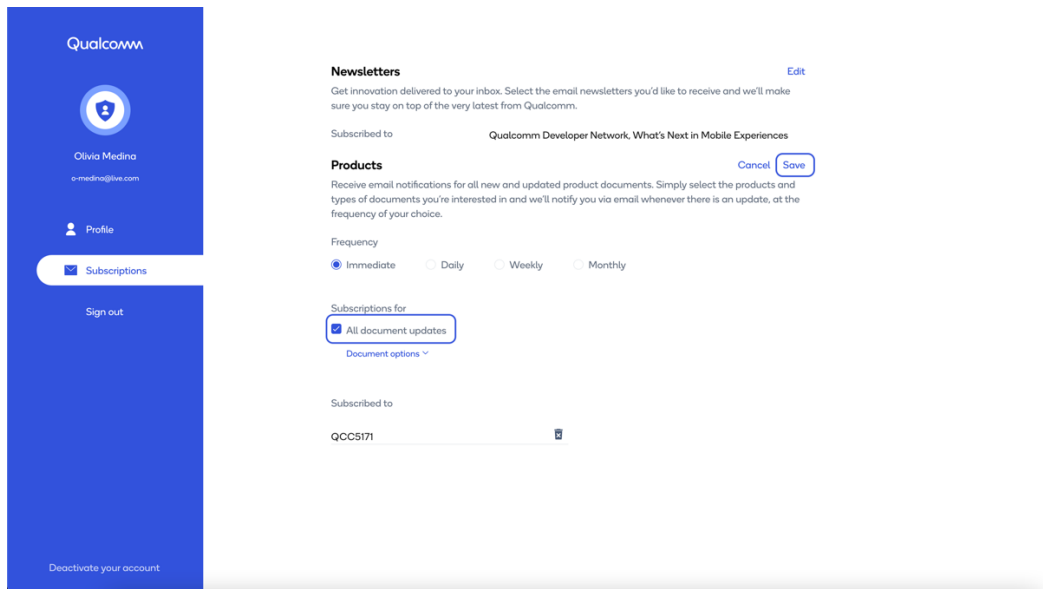

3. Modify product subscriptions by selecting 'Edit'

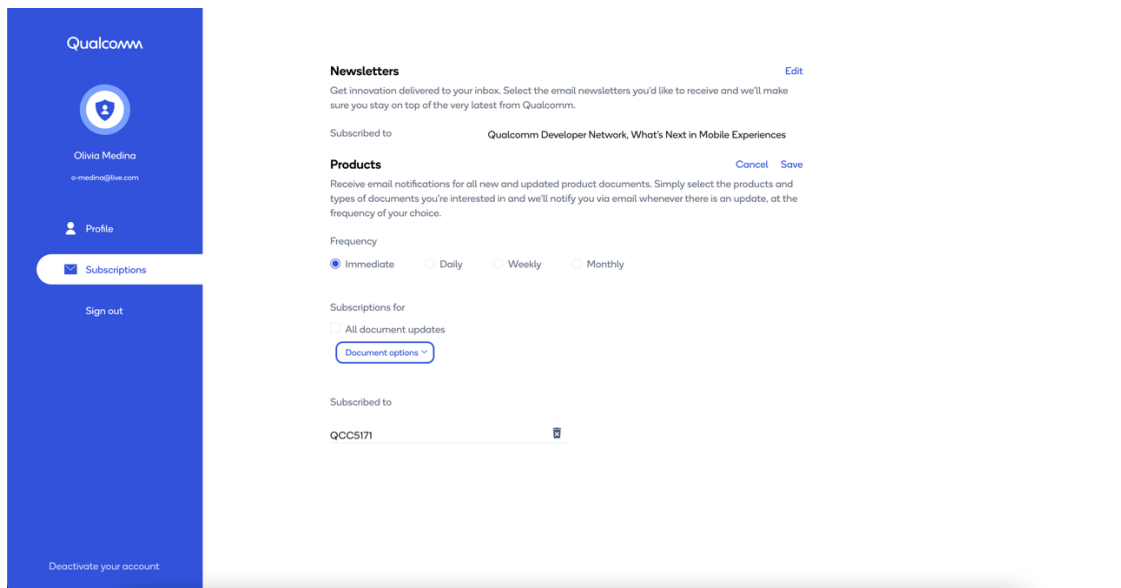

4. Select the products and types of documents you're interested in and we'll notify you via email whenever there is an update, at the frequency of your choice.

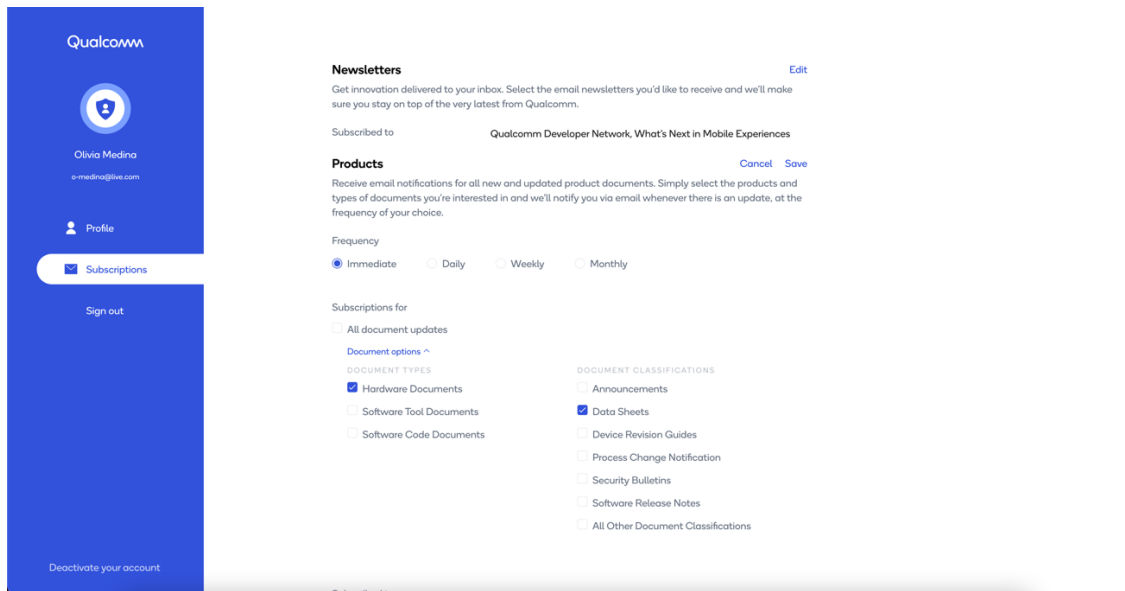

5. If you'd like to subscribe to *all* updates regarding the related product, select 'All document updates' then 'Save'

6. If you'd like to subscribe to *specific* updates regarding the related product, select 'Document options'

7. Select the 'Documentation types' and '...forms' depending on your subscription preference

8.
